EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Brian Hannon on 6/16/2008.

The application has been amended as follows:

In the Claims:

Claim 1:

In the last two lines, replace "for emptying water from each cell" with "configured to empty water from each cell"

EXAMINER'S REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The closest prior art is Pan (US 2002/0182475). Pan does not disclose nor suggest "wherein a second duct is also associated in an irremovable way to said single flexible substrate, said second duct being connected to the plurality of cells configured to empty water from each cell". In Pan, 112 is the first duct and 107 is the second duct

Art Unit: 1795

and are on opposite substrates. It can be interpreted that the duct 112 is the first and second duct, since the duct is separated by the corrugations of the gas channels on the bipolar plate. However, it would not read on the limitation "configured to empty water from each cell" because the first duct supplies methanol and does not empty water.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to CYNTHIA LEE whose telephone number is (571)272-8699. The examiner can normally be reached on Monday-Friday 8:30am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick J. Ryan can be reached on 571-272-1292. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
